Meeting Agenda

Date: 2015-03-25

Facilitator: Oscar Evertsson

Participants: Mats Högberg, Oscar Evertsson, Filip Hallqvist, Jesper Jaxing

Objectives

At the moment we have no issues that prevent the team from continuing.

Reports

Since this is the first meeting we don't have anything to report yet.

Discussion items

RAD

- What to write?
- How to structure the document?

The RAD contains what the application should do. This is the first step of developing the application.

Outcomes and assignments

We will all work on the RAD together.

Wrap up

The first step in the developing process is to begin writing the RAD. We will all do this together.

Unsolved issues

Nothing.

Next meeting

Tuesday 25/3 12.00-13.00 in EDIT-5205. Oscar will add this to the project calendar.
